# الأناقة و الديناميكية

New C4X combines a resolutely innovative design with fastback styling. Roof line flows seamlessly from the top of this body styling delivers a drag coefficient of 0.29. The double-height front lamps use Citroën LED Vision lighting technology to provide maximum visibility. The air intake grilles use a "macro chevron" pattern which emphasises the vehicle's refinement.

# ELEGANT AND AERODYNAMIC

# MODERN SEDAN WITH SUV ATTITUDE

Thanks to the large wheels, New C4X gives you an SUV-inspired driving position, which is higher than Conventional Sedan. At the rear, under the opening of the generous boot, is a sculpted bumper.

TO USE

# WELL-BEING

 The CITROËN ADVANCED COMFORT<sup>®</sup> programme delivers innovative, technological and intelligent solutions to create well-being for drivers and passengers alike, and confirms Citroën's driving-comfort credentials.

**ADVANCED COMFORT  
SUSPENSION**

# التصميم الذكي والراحة في الأداء

New C4X treats you to well-being on board and an exceptional driving experience thanks to its suspension with progressive hydraulic cushions, which gives you a real "magic carpet ride" effect.

# SPACIOUS 510-LITRE BOOT

سعة شنطة  
واسعة . ١٥ لتر

Inside the boot, a flat floor gives you a width of 1,010mm between the wheel arches and a maximum length of 1,079mm. The boot aperture is also very wide. An extra storage space under the boot floor enables you to transport additional objects.

# REAL COMFORT ON BOARD

An aerial view of a white Volvo C4X SUV parked on a light-colored gravel or paved driveway. The car is positioned diagonally, showing its rear and right side. It features a large panoramic sunroof, multi-spoke alloy wheels, and a sleek design. The background consists of lush green grass and some tall reeds or grasses. The overall scene is bright and clean, emphasizing the car's premium feel.

The ambience and brightness in New C4X have been enhanced to ensure that every journey is a perfect experience. Also, in addition to the substantial door and window glass area, there is the option of a wide, glazed electric sunroof.

# الراحة والرفاهية

# INNER PEACE

Cutting-edge technology  
for a peaceful experience

New C4X has a complete connectivity package via Citroën's new-generation infotainment interface: connected services for greater comfort and safety, and high-performance systems. The front passenger also benefits from the Citroën Smart Pad Support™, a clever retractable support system which is built into the dashboard, enabling you to secure a tablet device in complete safety. Everything has been brought together to make every moment on board perfect.
