What's more fun than getting there? Being there already in the SEAT Ibiza. So, kick back with your mates, turn up the tunes and get ready to roll. The SEAT Ibiza was designed for all those fun-filled days ahead.

#AllMyFriends

Life's an everyday trip. So, move it up a beat, with Full LEDs and illuminated airvents that let you fine-tune the mood for your journey. From online connectivity to hours of quality music thanks to the BeatsAudio™ Sound System, the SEAT Ibiza was designed to power the fun: for you and everyone you know.

Music and good times
for all my Friends.

You've got it, flaunt it.

Happy on the inside, stunning on the outside. With sharper lines and sophisticated curves that give you a license to roll your own way.

The SEAT Ibiza has redesigned Full LED headlights that let you light up the town while keeping consumption down. And with renewed alloy wheels propelling you confidently forward, you'll be riding high on head-turning rims. All of this, with the subtle detail of the handwritten SEAT Ibiza logo on the boot to top off the look.

Step into the party.

You, your friends, in it together. With comfier, customisable upholstery and new airvent ambient lighting to add to the atmosphere. Plus, enjoy an enhanced driver experience, with a new ergonomic multifunction steering wheel, an elevated floating infotainment screen and a soft-to-touch dashboard.

At the centre of it all.

The more you see, the more you know. Combining a larger 9.2" floating touchscreen with navigation and wireless Full Link*, the SEAT Ibiza is made for those who love to keep effortlessly connected. Sync up your maps, contact lists, music and more for on-the-go access. You can also enjoy hands-free control thanks to "Hola-Hola" natural voice command.

Complete with a fully digital 10.25" Cockpit display for all your essential drive data, you'll have the option to customise the information you need. You can even split it into 3 easy-view panels, so everything is just where you want it: right in your line of vision.

Dance. Hang out. Drive on.

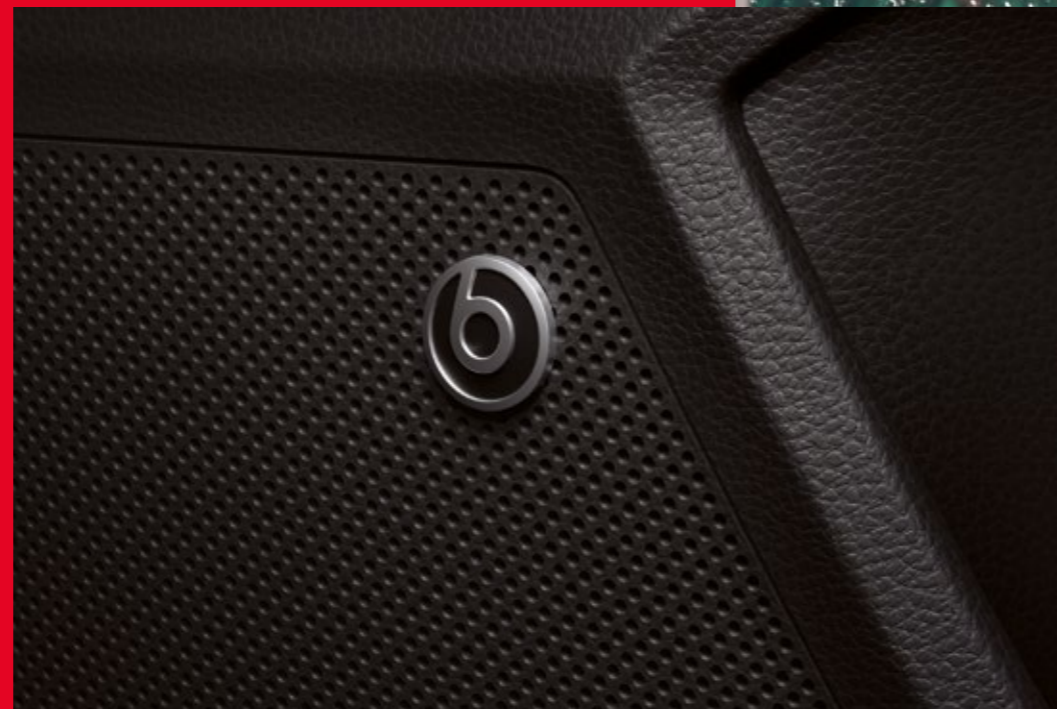

Singalongs, favourite songs. The SEAT Ibiza is designed for a life of music, with the world-class BeatsAudio™ Sound System amping up your favourite tunes. And online access to a world of killer tracks through SEAT CONNECT.

Want to play it straight from your smartphone? No problem, step in and sync straight up with Wireless Full Link* technology.

Traffic Sign Recognition.

Keep your eyes fixed ahead. Traffic Sign Recognition lets you view speed limits and overtaking restrictions on your SEAT Digital Cockpit, so you'll never miss a thing.

Side Assist.

Overtaking and changing lanes doesn't have to mean straining your neck. The front and rear-facing radars help to monitor blind spots. If anything comes within a 70-meter radius, you will be notified with a visual cue.

Move without a care in the world.

Don't sweat it, you're sorted. The SEAT Ibiza comes with innovative, drive-assist technology so you can focus on what's important - the fun stuff.

Travel Assist.

There's nothing like a little helping hand. The Travel Assist features on the SEAT Ibiza monitor your journey and use cameras to scan for lane markings and curves.

Lane Assist.

Lock into the groove automatically. Lane Assist helps you stay in your intended lane of travel. If you start to drift, the system lets you know so you can correct course.

Unique styles and personal choice. We all have our own way to move. So, the SEAT Ibiza comes in 4 stylish trims that let you move to the beat of your own drum.

Trim selection.

Rock that sports look.

Get ready to impress your mates, with a SEAT Ibiza that feels as dynamic as it looks. The FR trim combines sporty design touches with enhanced performance to give you the optimum drive experience.

Immersed in light.

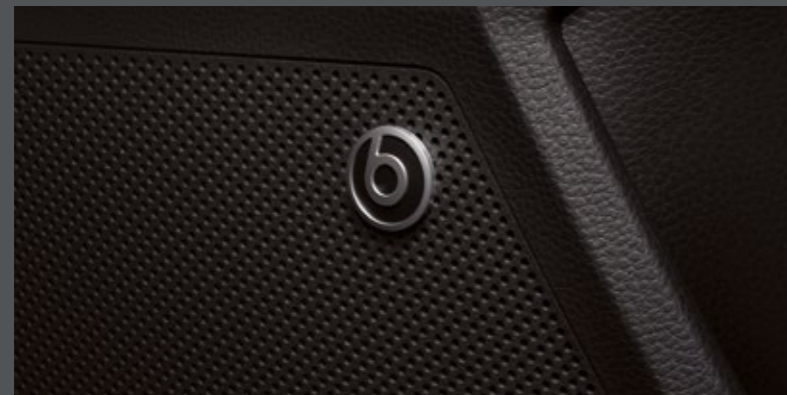

What's better than you and your best friends cruising in your SEAT Ibiza? Well, you and your best friends cruising in the SEAT Ibiza with the automatic sunroof wide open.

It's all happening on the inside.

Complete performance with optimum interior design. The high-quality cloth upholstery in the FR trim lets everyone sit comfortably with maximum lateral support.

FR trim.

Bathing in bass.

Let your crew experience supreme sound with the top-class BeatsAudio® sound system: 6 premium speakers, a thumping subwoofer and a powerful 300W amp giving you pure depth and clarity on all your favourite tracks.

Top-class command.

Specially designed with an exclusive FR emblem: the Nappa leather-wrapped, multifunction sports steering wheel has advanced controls that let you operate the audio and navigation system without taking your hand off the wheel.

Progressive rhythm.

Get in tune with the road. With the FR trim's optional, 18" Machined Alloy wheels, you can experience a smoother and sportier drive.

Customise the way you move.

Car full of friends, now amp up the ride. With four SEAT Drive Profiles that tweak engine responsiveness, steering and setup. Sport Profile lets you experience the SEAT Ibiza at its peak with a more dynamic performance.

The SEAT Ibiza is good to go and primed for adventure, but that doesn't mean you won't want to tweak things a bit. Discover a wide range of accessories, all specially designed to fit your SEAT Ibiza.

Change
it up a little.

Customisation.

When you're into the finer details, it means you can make the Ibiza extra unique. Customise the exterior with some added special touches.

Side door moulding.

Create a subtle symmetry throughout the exterior design of your SEAT Ibiza with this chic, streamlined side door moulding.

Front bumper lip.

Frame off the bumper with a striking finish. The front bumper lip accentuates the style and sportiness of your Ibiza's exterior.

Customisation.

Nothing says cool like rocking up ready to perform. Accessorise your SEAT Ibiza with a range of extras, crafted to add a sportive flair to your ride.

Rear spoiler.

Why not big it up some more? This sleek spoiler enhances the aerodynamic performance of your SEAT Ibiza while pushing its sportive aesthetic so you can really impress your mates.

Rear diffuser.

Improve your flow and max up the look with an aerodynamically enhancing, embedded rear diffuser in stylish silver.

Interior.

Looking good and riding smart. Enjoy a range of accessories that'll make travel time so much sweeter.

Net between seats.

Everything close at hand. This seat net is equipped with a collection of convenient pockets, so your passengers can keep travel essentials well organised.

Aluminium pedals.

These pedals incorporate stainless steel and non-slip rubber to improve grip and enhance performance. It also finishes off the sporty touch to your cockpit.

Protection.

You've got it. Now keep it in tip-top shape. Protect your SEAT Ibiza from everyday bumps, scratches, dirt and dust with our full range of protective accessories.

Front and rear mudflaps.

Ride out fresh and clean every time. Give your Ibiza some TLC upfront with these front and rear mudflaps.

Boot organizer.

Perfectly fitting to the floor panel, the boot organiser comes with telescoping bars to help keep everything in place.

Reversible boot tray.

Load it all in, worry-free. Protect your Ibiza's boot space from wear and tear with this reversible mat: offering both a carpeted side and a plastic side on the reverse.

Transport.

Wild, free and set for the snow. Load in your crew and head for the hills in your SEAT Ibiza.

Ski rack Xtender.

Time for a quick escape? Cool. Easily slide your skis and snowboards on and off the roof with just one button using this extendable ski rack.

Ski rack.

Great for a full car of mates, the SEAT ski rack is the perfect fit for your SEAT Ibiza: letting you hold 4-6 skis or 2-4 snowboards.

Transport.

Double up on 2-wheeled fun and take your bicycles on the road when you go. SEAT's biking accessories let you load up swiftly and safely.

Towing bike rack.

This foldable metal rack attaches to the tow bar of your Ibiza, allowing you to easily transport 2 bikes on your next adventure.

Bike rack.

Perfect for the passionate rider, this overhead rack adapts to your bike's shape and includes a frame clamp to keep everything safe and secure.

Transport.

The SEAT Ibiza not only helps you and everyone you know get there. But it also lets you carry everything you need along with you too.

Surf rack.

Adapting to your board's shape to keep it safe and secure, this surf rack makes tripping out for some last-minute waves an easy flowing dream.

Roof box.

Come rain, come shine. Carry what you need and keep it fully protected from the weather. This aerodynamically designed roof box is simple to assemble and ideal for big road trips.

Roof bars.

This versatile transport accessory lets you load gear on top of your SEAT Ibiza and can be further customised by adding additional rack fittings as needed.

Pet accessories.

You'll probably want to share the good times with all the family? So, why not kit out your SEAT Ibiza with some top pet accessories.

Dog harness.

No matter how big your 4-legged friend is, bring them along for the ride. This harness is available in all sizes, from small to extra-large and is suitable for dogs weighing between 2kg and 40kg.

Separation grille for pets.

This removable grille separates the cabin compartment from the boot area, providing extra protection while keeping your pets safe and secure.

We always give you the information you need upfront, along with an aftercare service that'll fully ease your mind. This way, you can spend more time living it up and enjoying the ride.

All in, all covered,
completely sorted.

Easy care, easy go.

With SEAT CARE, you benefit from a package of SEAT After Sales services at a fixed and competitive monthly rate. Value for money, with the service you expect. Starting from XX€ / month, you can save up to XX% compared to standard costs. Fewer worries. For more fun.

We care. You don't have to.

The SEAT Warranty Extension lets you extend your 2-year manufacturer's warranty for 1, 2 or 3 years, or up to 100,000 km — whatever comes first. And if your car is new, the warranty comes included. Easy. Cost-effective. Worry-free.

Relax. We've got this.

SEAT Insurance is tailor-made to your car. To keep you moving all year round. Our 24-hour customer service and official workshops using only SEAT Genuine Parts get you back on the road. Vandalism or theft? No problem. We're your ride.

Need anything? Just call.

Want a tow? More fuel? On-the-spot repair? SEAT Mobility Service is here for you. 24/7. Everywhere in the EU, plus most neighbouring countries. For up to 10 years. This is complete, reliable roadside assistance. And best of all? If your SEAT is new, you get 2 years free.

Forget about it. It's covered.

Why worry? SEAT Service & Maintenance contracts cover most services in the SEAT Service Programme for the first 3, 4 or 5 years of ownership. Available in Basic or Premium, with options for financing. So you can focus on the more important things in life.

Environmental information.

Bodywork

Use of ultra-high strength steel, which together with hot stamping technology, permits a reduction in thicknesses and weight without loss of performance.

Renewable and recycled materials

Use of renewable materials (cotton, natural rubber and cellulose) and recycled materials (plastics) in various parts of the vehicle.

Aerodynamics

Optimised design throughout the bodywork, wheels and cooling system improves vehicle aerodynamics.

Lighting

Headlamps are 100% LED and some rear lamps versions include LED technology, reducing significantly power consumption and increasing life and effectiveness of the lamp.

SEAT Eco Drive Profile

ECO mode allows a driving style that modifies engine and transmissions parameters in order to reduce fuel consumption and emissions.

Tyres

Low-resistance tyres provide a reduction in CO₂ emissions.

Manufacturing process

In the period from 2010 to 2022 we reduced the CO₂ emissions per manufactured car by 60.5%, whilst also cutting the energy demand per car by 23.3%. Additionally, we've achieved a 27% saving in water consumption and a 72% reduction in waste generated per car.

In our efforts to minimise single-use plastics, we are reducing the plastic film used on our assembled cars, as well as on the parts and components involved in the manufacturing processes.

Circular economy

We are advancing in several initiatives and actions related to the circular economy throughout the entire life cycle of our vehicles, aiming to be more efficient, minimise waste and reduce our environmental impact.

Move to ZERO, SEAT's environmental mission
