# The New Nissan Juke

JUKE

101 1

## New Nissan Juke Who needs ordinary?

The New Nissan Juke puts the joy back into urban vehicles, starting with its bold, uncompromising design. Inside, your whole family will be captivated by high-quality materials and attention to detail, and surrounded with advanced technologies. Start it up and press the accelerator, you'll be transformed by its responsive attitude in every drive.

## Powerful presence. Attractive attitude.

The new iconic yellow is the perfect shade to show off New Juke's bold looks and strong personality. The new N-Sport grade is even better equipped to stand out from the crowd.

N-Sport with silver front lip finisher

New 19" Black Akari Alloy Wheel

## Feel the pleasure.

New Juke's interior is designed around the driver, from its new centre console, larger glove box, bigger infotainment screen and fully digital meters to the ambient lighting and Alcantara<sup>®</sup>upholstery. Sit down, get comfortable and enjoy the ride.

Synthetic Leather\*

12.3" fully digital meter\*

12.3" Infotainment screen\*

## Feel the quality.

The interior of Juke N-Sport is designed with attention to detail. Its premium black headliner\*, black and **yellow Alcantara**<sup>®</sup>quilt and yellow stitching\* highlight the craftsmanship and design of the monoform seats, which cocoon the driver for a uniquely immersive driving experience. Bose<sup>®</sup> Personal<sup>®</sup> Plus sound with Ultra Near Field speakers built into the front headrests\* and 10 strategically placed Bose<sup>®</sup> speakers create the Ultimate listening experience.

Black and Yellow Alcantara®, new quilt design and yellow stiching\*

Monoform sport seat

Adjustable armrest\*

## Room for everyday life.

Juke is roomy and versatile to fit all the fun that awaits. The easy-fold split rear seat increases the boot size so you can carry larger cargo like huge balloons, bikes or luggage.

PETROL 422L boot space

Petrol Engine.

perfomance.

Nissan Juke is also available with a lightweight, 1.0-litre internal combustion engine which combines fuel economy with plenty of power. The electronically controlled turbocharger and reduced friction design gives smooth and responsive power. Switch to ECO mode for fuel eff ciency and SPORT mode for

Always connected.

Smartphone connectivity will keep you seamlessly connected to the world around you with Wireless carplay & Android auto.
