DYNAMIC APPEARANCE

Wingspan /Starry Front Grille

Strong, Fashion, Sporty and without blemish.

Floating Roof

Kaiyi X3 creates a floating visual effect through the black treatment of the C-pillar, making the roof look like it is suspended on the vehicle, making the lines of the vehicle more fluent; Visually, the car body is slimmer and the side part is more sporty.

Sport Aluminum Alloy Wheels

5 pieces of diffusion blade modeling

Enveloping Cabin Layout

Convenience of the operation, sense of fashion.

LED CHMSL

LED Pulling-through Tail Light.

Two-tone interior

INTELLIGENCE

10.25 Inch Central Control LCD screen

High brightness level of 1000cd /m
High contrast of 1000:1
Multi-touch
More convenient information reading
